BIO GRAPE JUICE
100 % Scheurebe

What initially started as a *'family and friends project'*, soon developed into creating something honest, natural, and enjoyable for all generations. Here, aromatic Scheurebe grapes and tremendous passion achieved a naturally cloudy grape juice whose origin, craftsmanship, and character are palpable.

DESCRIPTION:

Fresh, full-bodied, and aromatic, characterised by classic Scheurebe traits with notes of blackcurrant, grapefruit, and subtle exotic nuances. Light floral accents underline the natural fruitiness. The naturally cloudy character provides special depth and juiciness. On the palate, it is naturally sweet, intensely fruity, and refreshing at the same time. A **natural grape juice** – fruity, fresh, and pure.

Acidity	10,5 g/l
Residual sugar	186,0 g/l

**WONDERFULLY TASTEFUL, CRAFTED WITH
NATURAL INGREDIENTS IN ITS PUREST FORM**
